International Conference on 3D Vision  
Kyushu University, Fukuoka, Japan  
November 25-28, 2020

## **3DV 2020 Conference Partnership (Sponsorship)**

### **An invitation to participate in the International Conference on 3D Vision**

The 8<sup>th</sup> International Conference on 3D Vision (3DV 2020) will be held at Kyushu University, Fukuoka, Japan on November 25-28, 2020.

3D information has been more accessible and the interest in 3D information processing continues to grow. 3DV is an annual conference providing a premier platform for researchers, developers, and practitioners to present and discuss a broad variety of topics in the area of 3D research. The topics include, but not limited to, 3D information processing in computer vision and graphics, such as novel sensors, signal processing, geometric modeling, representation and transmission, visualization and interaction, machine learning applied to 3D, and a variety of applications in different fields.

Kyushu University is a national university and the 4<sup>th</sup> oldest university in Japan, located in the heart of Fukuoka, in the island of Kyushu. Fukuoka is the largest city in Kyushu, and it is the center of politics, economy, fashion, food, and culture. From Fukuoka airport, Hakata station is 5 minutes, and Tenjin station is 11 minutes away by subway. Fukuoka is known for ancient temples, beaches, and modern shopping malls, including Canal City.

We invite you to consider becoming a sponsor and/or exhibitor at this event and take a look at the wide range of options we have available for your consideration. Please come to Fukuoka and enjoy this prestigious event, along with food, sake, beaches, and the city's unique traditions. We look forward to welcoming you in Fukuoka in November 2020.
